

## **REGISTERED CLINICAL PSYCHOLOGIST**

**Pay:** CA\$67.00 - CA\$77.00 per hour

### **Job description:**

Clinical Registered Psychologist: Full-Time Employee

Diversified Rehabilitation Group is seeking a dedicated and experienced Clinical Psychologist to join our growing multidisciplinary team in Kelowna and Lake Country, BC. This is an exciting permanent full-time opportunity supporting first responders, veterans, and individuals experiencing psychological injuries, operational stress injuries (OSI), and workplace-related mental health challenges.

### **What We Offer:**

- Competitive salary \$67 - \$77 per hour
- Comprehensive benefits package
- Opportunities for career growth within a dynamic clinical environment
- Employer-paid professional development and continuing education
- Paid vacation and extended health & dental coverage
- Employer-paid insurance premiums
- Supportive clinical supervision and peer consultation
- Flexible scheduling to support work-life balance
- Opportunity to work with specialized programs for first responders and veterans
- A collaborative, innovative, and psychologically healthy workplace culture

### **What You Will Work On:**

As a Clinical Psychologist at Diversified Rehabilitation Group, you will deliver specialized psychological services to clients with complex mental health and trauma-related needs. You will work both independently and as part of an integrated clinical team, contributing to high-quality, evidence-based care.

### **Key Responsibilities:**

- Conduct comprehensive psychological assessments, including psychometric testing interpretation
- Provide evidence-based individual and group therapy (e.g., EMDR CBT and trauma-focused approaches)
- Develop and implement treatment plans tailored to client goals and functional recovery
- Provide consultation and support to interdisciplinary team members, and community partners
- Contribute to clinical case reviews, treatment planning meetings, and care coordination
- Prepare psychological reports to support disability management, return-to-work planning, and operational readiness
- Participate in program development, outcome evaluation, and quality improvement initiatives
- Uphold best practices in psychological treatment, ethics, and cultural safety

### **About Diversified Rehabilitation Group**

Diversified Rehabilitation Group is a leader in occupational rehabilitation, psychological health services, disability management, and specialized programs for first responders and veterans. With over two

decades of experience, we are recognized for delivering innovative, compassionate, and effective services that integrate clinical expertise with organizational health strategies.

Our Kelowna and Lake Country location provides a supportive professional environment surrounded by the natural beauty of the Okanagan, an ideal setting for both personal and professional well-being.

**Qualifications Education, Training, and Experience:**

- Ph.D. or Psy.D. in Clinical Psychology (or equivalent) from an institution recognized by the College of Health and Care Professionals of British Columbia (CHCPBC)
- Completion of an approved pre-doctoral internship
- Full registration (or eligibility for registration) as a Registered Psychologist with the CHCPBC
- Experience working with trauma, first responders, or disability management is an asset
- Training in evidence-based trauma treatments (e.g., EMDR, CPT, PE, trauma-focused CBT) is considered an advantage

**Job Type:** Full-time

**Benefits:**

- Dental care
- Extended health care
- Flexible schedule
- On-site parking

**Ability to commute/relocate:**

- Kelowna, BC: reliably commute or plan to relocate before starting work (preferred)

**Education:**

- Doctoral Degree (required)

**Licence/Certification:**

- Certification with CHCPBC (required)

**Work Location:** In person
